

## CHALLENGE

- Understanding the GST tax rates, rules and regulations governed by the GST Council.
- Implementing GST invoices and returns as per the rules and regulations of GST council of India
- API integration in GSTeFile from the ASPs.
- Keeping an eye on the updates from GST portal for updating returns and E-way in our GSTeFile system.

## STATISTICS

- Connect with Practitioner in Seconds! Save your time and efforts to manually share your invoice data with your practitioner
- Practitioner can connect with 100+ Business users
- 20000+ Invoices for Business Users

## SOLUTION

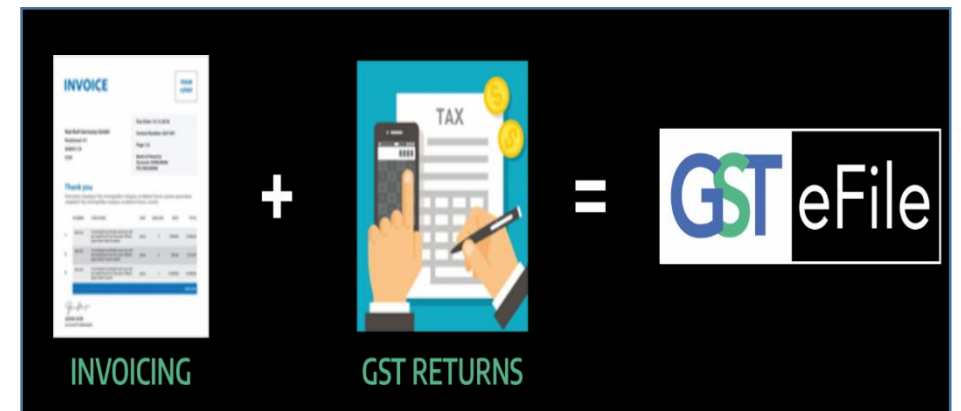

- ❖ Ease in generation of two types of invoices :Sales and Purchase.
- ❖ Easy generation of E-Way bill with Auto Populated Part-A details.
- ❖ Autopopulated GSTRs and their filing for Normal and Composite tax payers.
- ❖ Reconciliation of your returns.

## THE NEED

To reduce the efforts taken in filing the GST returns on the Government Portal for Normal and Composite tax payers , we provide accurate autopopulated GST returns from the invoices imported or created in GSTeFile. We have provided APIs in GSTeFile by which the returns can be directly filed on the Government's portal.

## FEATURES

- ❖ Digital Signature
- ❖ SaaS
- ❖ Reports
- ❖ CA Connect & Expert Opinion
- ❖ E-Way Bills
