“ TESTIMONIALS ”

“The whole staff is more efficient from the front desk all the way to billing. Verifying patient's eligibility and checking them in is a very fast process with all of the integrated services. In general, we are able to do a lot with the limited staff that we have. Thanks to ESDS's SHATAYU HMIS Software & their 24/7 Support Team”

**SHREE SAI BABA HEARTH
INSTITUTE AND RESEARCH
CENTRE**

“I just wanted to tell you how wonderful it's been having your implementation team here to train our staff. They have all been amazing and we have and are, learning so much from them. They've been thorough, patient and professional with our staff. Thanks for a great experience to date – we love it”
